

American Lincoln Parts

American Lincoln Part - The American Lincoln division is currently connected with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machinery which are known within the business as durable and strong machines that satisfies the needs of heavy industry and larger infrastructure. Products made in the United States; the sales are conducted nation- wide through national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These types of scrubbers are on the market under the brand name "Encore". American Lincoln can provide machinery, components and warranty service for these scrubbers that carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of big distribution centers like Target and Wal-Mart. The 7765 line has earned the respect of several facility managers where results and efficiency matter. Recently, this particular floor scrubber model has been used by the architects in new construction projects like Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this particular sweeper scrubber on site because of the model's supreme performance level and excellent quality for polishing concrete.
