

Trek Part

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning business. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have over 60 years combined experience with successfully marketing, manufacturing, designing, developing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are committed to giving top quality and new design concepts in order to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines continually offers fresh design concepts. They enjoy providing products which energize both their dealers and their partners and provide production gains to their clients.

The team at TREK enjoys handling new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' skills and needs combined with their understanding of cleaning applications, along with owners' strong desire to considerably lower cost through productivity gains.

When required, the staff members within TREK and its various dealer members in both technical support and parts will be accessible. One of their core values is their high service dedication in their customer service. Keeping their customers' cleaning machines functioning and ready everyday is top priority. The company's top of the line technology delivers dependable machine that eventually lowers your cost of cleaning. The product, the price and the service all work as one to be able to make them an industry leader.
